Application Submission

There are several easy to use methods available to you in order to submit your applications to our New Business Department for processing. A brief description of each is provided below.

Mobile Application*:

- On-line application designed for use on tablet devices
- The application and all supporting documents are completed in their entirety
- Applicant signs on the screen using a stylus or finger
- Completed applications are transmitted electronically for processing
- Go to www.InsuranceApplication.com
 - Click on the **"Mobile Application"** icon to access the website
 - Click on **"Training Tutorial"** for the instructional document

* Not all products are currently available on the Mobile Application. Available products are listed once you have accessed this website.

App Drop:

- Upload scanned applications on a secure website
- Simple alternative to using email
- Does not require any software to be downloaded
- Go to www.InsuranceApplication.com
 - Click on the **"AppDrop"** icon to access the website
 - Click on **"Upload Instructions"** for the instructional document

App Scan:

- Software that can be downloaded to your hard drive which will allow you to easily transmit scanned application documents from your computer
- Go to www.AmericanAmicable.com
- Select the **"Login"** button (upper right-hand corner); then click **"Agent"**
- Login using your agent number and password you have established. If this is your first visit to our website, the initial password will be the last 4 digits of your Social Security No. (or Tax ID No.)
- Select the **"Transmit Apps"** tab
- Under the **"Scanning"** section you will find information regarding the hardware requirements and instructions for use

App Fax:

- Fax paper applications to 254-297-2100
- Include a **"Fax Application Cover Page"** (Form No. 9727)
 - This cover page is available under the "Order Supply" section of the Marketing Sales website.
 - Contains additional instructions for the faxing of applications
